EDITOR'S EDGE

Dear Sears Family Members:

December sure rolled around fast this year. Merry Christmas from our family to yours! I am at a loss for which direction to take with this newsletter so I'll just try some different tacks. I've included the obituary notices from the World Wide Web Obituary Daily Times (<http://odt.rootsweb.com>) and a couple of special notices about friends and family. Then, since so many smaller Sears Trees have sprouted in our database, we have added another based on the wonderful work of Dave Wright and Wendy Farley. I have joined the SEARS-L mail list and will bring you a lot of queries in the next newsletter. Also we are now the owner of the Barnstable County Rootsweb Mail List and there is a lot of action there both about SEARS and other Cape families. Oh yes, the Sears CD. Well the pages are done being edited and I will send out some "beta" test disks for feedback from those of you who expressed interest in the project. I guess that's not much news but genealogy moves at a snail's pace for me anyway.

I have been reading a lot about privacy issues and have had a few questions about the newsletter and web page so I am working to remove any information about people who are still living unless I have their personal permission to publish the information. There is plenty of historical information about our families to document without causing troubles for those in the here and now. I will continue to include the details in our computer database which now numbers nearly 50,000 individuals with the tag !LIVING so that it will not show up in any computer generated reports. Let me know your thoughts on this.

SPECIAL NOTICES:

From THE REGISTER-GUARD, Eugene, Oregon, 1 October 1998, obituaries:

RAYMOND⁴ SEARS (Samuel³, Abraham², John)

An open house will be held Oct. 3 for Raymond L. Sears of Eugene, who died Sept. 28 of age-related causes. He was 82.

Sears was born March 18, 1916 in Grass Valley, Calif., to Samuel and Petronella Sears. He married Blanche Bier. She died in 1974. He married Juanita Goodman in Eugene on Oct. 22, 1977.

Sears lived in Eugene most of his life. He attended Oregon State University, where he studied forestry and mathematics and was a pitcher on the Beavers' baseball team.

In 1978, Sears retired from his job with Southern Pacific Railroad, where he had worked for 32 years.

He enjoyed gardening, hunting, fishing, crabbing and camping. He also liked to play pinochle, watch football and baseball on television and had traveled to Mexico 17 times.

He was a 50 year member of the Eugene/Springfield Masonic Lodge.

Survivors include his wife; two sons, Jerry of Honolulu and David of Bend; three daughters, Donna Chernick of Bellevue, Wash., Patricia Massey of Alvadore and Dianne Cardin of Pleasant Hill; two brothers, Vic of Doylestown, Pa., and Wally of Eugene; 20 grandchildren; 29 great grand children; and one great great grand child. A son, Vern Goodman, died in 1967.

Memorial contributions may be made to the Oregon Donor Program. P.O. Box 532, Portland, OR 97207.

This will give you some insight into your kinsman, Victor Arthur¹⁰ Sears(1917-1998)(Pearl⁹, Oliver⁸, Asahel⁷, Edward⁶, Alden⁵, Judah⁴, Samuel³, Paul², Richard)- The following is to the family of Victor Sears from Reverend Ed Varnum.

I have prayed and pondered about what to share today, as we give thanks to God for the life of Victor Sears; what Biblical scripture, image or person would best speak to you about his life and character. Suddenly, it came: Abraham, the father of our faith.

Again and again in the book of Genesis, we find God's promise to Abraham,"I will indeed bless you, and I will make your offspring as numerous as the stars of heaven and as the sand that is on the seashore. And your offspring shall possess the gate of their enemies, and by your offspring shall all the nations of the earth gain blessing for themselves, because you have obeyed my voice" (Genesis 22:17-18)

I know. You're probably thinking it was because of God's promise that Abraham's descendants would number like the stars of heaven. Well, let me tell you; after visiting last Saturday afternoon at the home of Victor and Louise with part of their descendants clustered in one room, still other in the next room and still more on their way, I could understand that assumption! But as I reviewed certain scriptures about Abraham, I was in awe of his relevance to all I've learned of Victor Arthur Sears.

Listen again, as the promise of God was repeated to Abraham's grown son, Isaac: "I will be with you, and will bless you; for to you and to your descendants I will give all these lands, and I will fulfill the oath that I swore to your father, Abraham. I will make your offspring as numerous as the stars of heaven and will give to your offspring all these lands....."(Genesis 26:2-4).

Did you hear it? God promised to bless Abraham and then Abraham's children. The way the Lord would bless them would be two-fold; through family (that is descendants, children, grandchildren and on) and through land. Blessing through children and land.

As this truth began to sink in, I suddenly understood why Abraham came to mind as I prayed about this service today! As Victor Sears reflected on his own life, he said to his daughter, Mary Jane Jennings, " I am the most successful man on earth. I have had everything I have ever wanted: my family and my farming." And just as Isaac received the same blessing as his father, I heard Victor's granddaughter, Vicki, say, "I just can't believe how very lucky we are in this family. We have cousins who are like brothers and sisters, and it's being handed down to our children."

Blessing through family and the farm. What more could there be, if you have a family you love and work that is fulfilling? What a blessing! And whether he was your husband, father, grandfather, great-grandfather, or someone who received you into his great family by marriage, friendship or whatever- you share in the blessing of this wonderful man because he taught you some basic truths about what's important. What matters is family! What matters is love! What matters are the authentic but simple joys life gives and money cannot buy! If you learned and received those things through Victor Sears, you too are so very, very blessed! People go their entire lives completely miserable while surrounded by blessings, because they haven't learned what you know.

One more thing. Did you notice how God spoke his promise to Abraham? It was through the beauty of nature: the glorious heavens sparkling with stars, the calm and peaceful shores of the sea. I thought how appropriate this is, as we honor one who so dearly loved the beauty and peace of God's nature. He wanted to be out in the midst of it. He loved farming and, later, gardening. He so enjoyed the spring, when the cows had their calves and he could share in that miracle of new life.

And like everything he loved, Victor shared his experience of nature with his family. It was mixed in with all they did; whether it was teaching them baseball in Corn Cob Stadium, camping and

enjoying the lake as he learned to ski along with his children, callin his wife out to enjoy the flowers, or taking the grandchildren to see a beaver dam.

One family member told me that few people believed more strongly in God than Victor Sears. I believe that; because no one could be so close to the land, so in love with his family, so in awe of God's creation without having a deep faith in the God of creation and love. I am here today to assure you that this same God who led your loved one in the beauty of nature, through green pastures, beside the still waters, has now led him home to live in his Father's house forever.

We thank God for the life of Victor Sears and we give praise to him that, in Jesus Christ, his life continues leaving all pain and entering into the joy that is heaven. To God be all glory.

Notes for Sears HALLETT

SP May No 729, p 173 May said he was a Matthews but must have been in error, Hallet Family sources say Sears Hallett

I write to provide information I have about Bethia Sears and her first husband, Benjamin Hallett. The line of descendant information on the internet shows her marriage in November, 1787, to Benjamin Hallett and her later marriage to Gorham Baker, but there is nothing about the sons born to her marriage with Benjamin Hallett. One son, Sears Hallett, was my 2nd Gr-grandfather, and his birth in 1787 is reported in The Hallet Family of Yarmouth, #84 Library of Cape Cod History & Genealogy, Page 8; that source also reports the birth of a brother, Benjamin, born Jan 21, 1790.

The information I have about the marriage and the next three generations is as follows:

Sears HALLETT (Source: Genealogical Notes of Barnstable Families, being a reprint of the Amos Otis Papers, 8.) was born November 09, 1787 in Yarmouth, Barnstable, MA (Source: The Hallet Family of Yarmouth, #84 Library of Cape Cod History & Genealogy, Page 8.), and died March 20, 1869 in Dodge County, WI (Source: Dodge County and Fon du Lac County, Wisc, Cemetary Records, Burnett Union Cemetary, Capt. Census of 1830 denotes:
Male (1), between 10-15; Male (1), between 20-30, presumably John Manley Jr., about 27 at this time; Male (1), between 50-60, presumably John Manley Sr, 66 at this time; Male (1), between 90-100, possibility that this is his father-in-law; Female (1), between 90-100, possibility that this is his mother-in-law; Female, (1) between 10-15; Female, (1), between 50-60, presumably Patty McNabb.

The 50-60 designation for John Manley Sr. is presumably an error inasmuch as he would have been 66 at this time, although the 50-60 age designation for his wife Patty McNabb would have been correct.

It is also of interest that John Manley Sr. was living in close proximity to John Needham, Robert Fulton, William Alfred Sears (his eldest son), Morgan Maxwell, and David Fulton. [S28] PAGE Manchester Twp, Morgan County, Page 102

Justice of the Peace, Elected, 3 AUG 1822, Manchester Twp, Morgan County, OH; There are no records found to precisely delineate how Manchester Township was originally organized, but it appears that the inhabitants of that township lived together from the first organization of the county in 1819 up to August, 1822.

In 1822 Manchester Twp contained a territory of 36 square miles. Subsequently the eastern half was carved out to create Noble County.

In 1822 the residents petitioned the Court of Common Pleas of Morgan County to establish a Township. The court, therefore, on Thursday, July 11, 1822, with a full bench of judges, made the following order:

"Whereas, it appears that no justices of the peace have been allowed for Manchester township; it is therefore ordered that said township be entitled to two justices of the peace; and the qualified electors of said township meet at the usual place of holding elections in said township at such time as the trustees may direct, and proceed to elect delineate how Manchester two justices for said township".

Without delay an election was ordered to be held on the 3rd day of August, 1822. Accordingly, the pioneer voters on that day elected Nathan Smith, John Eddy and Benjamin Deen, as judges, David Fulton and Lewis G. Harding, as Clerks. On counting the vote for Justice of the Peace, John M. Sears received 36 votes, John Gregg 44, and Richard Dore 8. Consequently, Sears and Gregg were declared duly elected and commissioned as Justice of the Peace.

In the 1825 reelection, John Sears was reelected for another three year term. Mr. Gregg's appointment was filled by Robert Jackson. [S37] Pages 49 & 50, Elected 1825, Manchester Twp, Morgan County, OH

Defeated in an election for Morgan County Commissioner, 18 OCT 1819, Manchester Twp, Morgan County, OH; The first annual election for the Morgan County Board of Commissioners was held on 10/18/1819. John Sears of Manchester Township, out of a field of seven, was last in the polling, receiving 11 votes. [S14]

Missing from Census; 1830; Robert III appears in the 1820 census in Muskingum County, New? Township, on page 121. However, he does not appear in the OH Census for 1830. Therefore he must have been absent from OH, resided in someone else's household, or was merely missed on the 1830 census. He does appear in the index of Chancery and Supreme Court Records for Muskingum County, between 1848-1850.

Received a Land Grant from President Monroe - 168 Acres, 1823, Meigs Creek, OH, [S14]

Article by Mrs. Grace Shook, 1980, McConnelsville, OH, SEARS FAMILY, An article from "The History of Morgan County, By Mrs. Grace Shook:

"William Alfred Sears and brother, John Manley Jr. came to Morgan County with their uncle Thomas Sears from Westmoreland County, Pennsylvania. In the same company were Thomas Brannon, Benjamin Harding, and two younger brothers Presby and Henry. They were from Philadelphia enroute to Washington County, Pennsylvania.

Alfred and John Manley Sears were anxious to make a new home, as their mother had died and they disliked their stepmother enough to face the discomforts of pioneer life. They came to Marietta by way of the OH River. There they came up the Muskingum to McConnelsville.

Thomas Sears settled just west of Malta. John Manley continued on to Sealeysburg where several families he knew had established a thriving community. Thomas Brannon and the Harding brothers followed a branch of Meigs Creek to where Zachariah Blackburn had settled some six years before. Alfred Sears staked his claim on the ridge west of this creek that was later known as Brannon's fork of Meigs Creek. In 1823 Alfred Sears received a deed for 168 acres from President Monroe.

In 1826 he married Margaret Blackburn the daughter of Zachariah. They were the parents of ten children, one who was my grandfather. In 1853 Alfred Sears built the house of his dreams which was all oak and walnut stood until torn down by the coal company.

John Winchester Sears eldest son of William Alfred married the daughter of another pioneer, Robert Massey Fulton; who came from Alexandria, Virginia. He had two young orphaned children, so had come to his brother David who lived near Sealeysburg. Here he met a widow Catherine Mohler Mealey, whose husband had drowned in the OH River near Wheeling. She also had two small children and had come to make her home with her uncle. In 1827 they married and had two children; George Fulton and Louisa Fulton (Sears). John W. Sears and Louisa Fulton were married April 25, 1855. For a wedding present her brother George Fulton made her a corner cupboard, dining table and six chairs from walnut. He was a cabinet maker as was his father. That table and cupboard are still in the family.

John and Louisa Sears had a family of nine children. Three daughters married ministers, one son became a minister, the other an attorney. One daughter studied medicine and was a doctor in Chicago for forty-four years. Most taught school as a means to further their education.

August 25, 1905 John and Louisa Sears celebrated their Golden Wedding Anniversary at the home where they were married. Relatives came from as far away as Iowa and New York City. The honored ate from the same table as they had on their wedding day. This family were devout Christians and held a reverence for the Oak Grove Church. The parents and six of the nine children are buried there. Alfred's father was the first Sears buried there in 1853 and Blanche Sears Gorrell was the last.

October, 1958." Preparer's Note: According to the census of 1870, the wife of William Alfred Sears, Margaret Blackburn was born in Pennsylvania, which lends some credence to the Westmoreland County connection referenced in the Grace Shook article.

The transcription indicates that she was aged 23 years, 8 months, and 1 day at the time of her death. Given the date of death of 7/13/1858, this would mean she was born on 11/12/1834, two months before the date of her parents marriage. The census of 1850 indicates that Ann was aged 14 years at the time of the census, making her date of birth in 1836 vice 1834. The transcriber was ostensibly in error. [S22] [S38] page 5

DEATH: Letter from Kuddy Thomas, Seaman, OH; 1903-1922; dtd 9 Jul 1994; Morgan County [OH] Democrat 17 Apr 1903; Obituary; "Laid to Rest", The funeral services of the late Reverend W S Sears were held in the M P Church in McConnelsville, Saturday at 10 o'clock. He was a man universally loved and respected and this, no doubt, accounted for the large audience in attendance.

He had been a member of the M P Church a great many years and a minister for more than 50 years. The resident ministers were present and all took some part, either in reading scripture, announcing the hymns, which had been selected by the deceased, or leading in prayer. Reverend Allen read the obituary sketch and added some work in the Conference and of the general esteems in which he was held by all the Conference. Judge E M Kennedy spoke of the deceased as a member of the Masonic Order and of his worth as a citizen in general. T B Tannehil in a few words, commended the upright, honorable christian character of the deceased and spoke of the confidence all classes of people had in his life and profession. The members of the Malta and McConnelsville Lodges of Masons attended in a body and took charge of the excercises at the grave. The remains were laid to rest in the McConnelsville Cemetery. Thus a noble man has gone from among us.

The Reverend Samuel Akins officiated in the ceremony.
