A comparatively modest present,
but the good ones which I can give.

"Only who knows his past has a future."
Wilhelm von Humboldt (1767-1835)

Foreword

This book contains the facts, who, where, when, but not the story of our family. If you can add to our history or have an anecdote to tell, then please share it and help make our story come alive. Even little things, like your cousin the fisherman who didn't eat fish, will make our story more personal. If you can add to our story, please contact me! I hope to have at least a photo of everyone who is here. It is amazing how often there is a close resemblance for relatives separated by generations.

Introduction

The following pages list data for all known family members as of 8th December 2020.

Each immediate family is presented in their own section that contains a graphical family tree as well as a description with information about each referenced person and their children. The child section provides information about the children of the preceding couple. When a child has offspring of their own this is presented in a separate family section for that child. In this case a '+' is used to denote that an individual will appear later in the book as a parent with his/her own children and there is a link to the appropriate family reference number. For children with partners but no offspring the partner data is given with the reference family. Roman numerals, followed by a period, are used to indicate the birth order.

In the chapter titled "Families of the Starting Person" the ancestors of Edward Sears are presented in a kind of enhanced Pedigree Chart which displays the graphic representation of their direct-line ancestors and the children of the couple. This chapter contains information about the couple whose relatives are listed in the later chapters.

The chapter titled "Families of his Ancestors" provides details (as known as of the publication date) for the relatives of Edward Sears. There is a chapter for each generation. Relatives are listed in the order of the nearness of their relationship.

Sources for the information provided are given in the footnotes.

This document reports the details of 332 individuals, of whom 161 are male and 169 are female. The sex of 2 individuals is unknown. Of the 216 individuals with recorded birth and death dates, the average lifespan was 52.06 years. Of these, 108 males averaged 49.06 years, and 106 females averaged 56.05 years. The longest living male was Moody Sears (1799–1891), who died aged 92. The longest living female was Hetty K Crowell (1820–1910), who died aged 90.

I have been working on the updated history of the Battershall family & have just a few questions if you don't mind. 1. Any idea who Deborah Nickerson's parents were? - I have 3 possibilities. (1) William Nickerson & his 1st wife, Deliverance

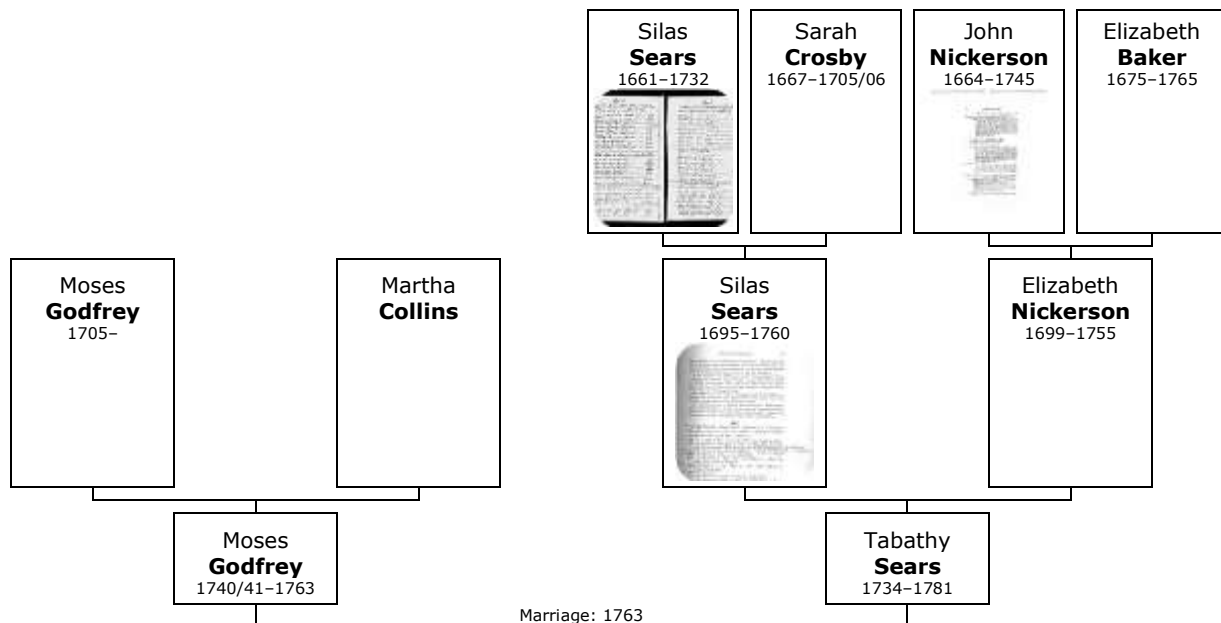

⁶⁶ Nancy Thacher Reid, Dennis, Cape Cod (Dennis Historical Society, 1996), 305.

Lumbart / Lombard (2) William Nickerson & his 2nd wife, Anna Atwood
or (3) Josiah Nickerson & Rachel Maker (or Makes) By the way, Anna Atwood
was the sister of Mary Atwood who married +1. William Battershall. I feel that
William & Anna Nickerson are the most probable choice as to who Deborah's parents
were, but would really like to know what you think too. This info. on Tabitha is
from FamilySearch.com (LDS church records) - Tabitha Sears born 1738, 1744 or
abt. 1741 at Yarmouth, Barnstable, Massachusetts. She was the daughter of Silas
Sears & Elizabeth NICKERSON. She married (1st) Moses Godfrey - son of Moses
Godfrey & Martha Collins, on 12 May 1763 at Yarmouth. I have not found a record
of possible children for Tabitha & Moses. From my notes - William Battershall
md. (1st) Deborah Nickerson...he married (2nd) Tabitha Godfrey about 1875 in
Chatham, MA Tabitha & William's children: +6. i. Moses
Battershall (my ancestor) b. abt. 1778 prob. at Chatham,
Barnstable, MA I still have not found anything showing for sure if
Moses was the son of Moses Godfrey or William Battershall, but if
William & Tabitha were md. in 1775 and if +6. William was born in
1778 than he would have been William's. +7. ii.
Jesse b. abt. 1781 +8. iii. Tabitha b. abt. 1783 Does the above info.
on William and Tabitha look correct - and last, Deborah Nickerson & Tabitha Sears
must have been related through the Nickerson family - any idea how? Thanks,

Ray, Somewhere in my notes I have down that William & Tabitha were married abt.
1775. We (my family) have known for a few years that Tabitha was our ancestor
William's wife, but we did not know Tabitha's last name or that there had been
previous marriages for either of them. William's 1st marriage was to Deborah
Nickerson of Barnstable Co., MA (Chatham ?, Yarmouth ?, Eastham ?) - they were
married ca. 1740 - 1742. A few months ago, through another e-mail. I had heard of
Laura Callier who is also a Battershall descendant & researcher. Laura sent me the
info. on Tabitha & Moses - I believe that they were married around 1763. If all the
above dates are correct, Moses would have died anywhere between 1763 and 1775,
probably in Chatham. I have found some info. this past few weeks showing that
Tabitha Godfrey-Battershall was the daughter of Silas Sears & Elizabeth Sears and
Moses Godfrey was the son of Moses Godfrey and the grandson of Moses Godfrey.
Therefore the 1st name of Moses was carried down thru 3 generations of the Godfrey
family. This could be significant because William Battershall's will dated ca. 1804
names his 3 children with Deborah Nickerson, and sons Moses & Jesse (supposedly
his children with Tabitha). There seems to be a question though as to whether
Moses was the son of William Battershall or Moses Godfrey. The fact that the name
Moses was carried down thru the Godfrey family could be proof that he was the son
of Moses Godfrey, but so far I have not been able to find any record of children for
Moses & Tabitha. I hope I'm not confusing you with all the above, but I would still
appreciate any info you might have. By the way, one e-mail from Laura states that
William & Tabitha were in Columbia County, New York by 1890 - 1895, (prob. in
Canaan because that is where most of my Battershall ancestors were found after
1800). The Battershall family is very hard to research - there is not much info.
available for them Thank you, Nancy S.
