A comparatively modest present,
but the good ones which I can give.

"Only who knows his past has a future."
Wilhelm von Humboldt (1767-1835)

Foreword

This book contains the facts, who, where, when, but not the story of our family. If you can add to our history or have an anecdote to tell, then please share it and help make our story come alive. Even little things, like your cousin the fisherman who didn't eat fish, will make our story more personal. If you can add to our story, please contact me! I hope to have at least a photo of everyone who is here. It is amazing how often there is a close resemblance for relatives separated by generations.

Introduction

The following pages list data for all known family members as of 3rd December 2020.

Each immediate family is presented in their own section that contains a graphical family tree as well as a description with information about each referenced person and their children. The child section provides information about the children of the preceding couple. When a child has offspring of their own this is presented in a separate family section for that child. In this case a '+' is used to denote that an individual will appear later in the book as a parent with his/her own children and there is a link to the appropriate family reference number. For children with partners but no offspring the partner data is given with the reference family. Roman numerals, followed by a period, are used to indicate the birth order.

In the chapter titled "Families of the Starting Person" the ancestors of Freeman Sears are presented in a kind of enhanced Pedigree Chart which displays the graphic representation of their direct-line ancestors and the children of the couple. This chapter contains information about the couple whose relatives are listed in the later chapters.

The chapter titled "Families of his Ancestors" provides details (as known as of the publication date) for the relatives of Freeman Sears. There is a chapter for each generation. Relatives are listed in the order of the nearness of their relationship.

Sources for the information provided are given in the footnotes.

This document reports the details of 280 individuals, of whom 139 are male and 141 are female. Of the 194 individuals with recorded birth and death dates, the average lifespan was 58.89 years. Of these, 96 males averaged 59.98 years, and 98 females averaged 57.83 years. The longest living male was Harold Crosby Sears (1891–1992), who died aged 101. The longest living female was Polly L Sears (1815–1911), who died aged 95.

Her dimensions are as follows: 20 feet 6 in over all, 17 feet 9 in waterline, and 9 ft beam, mast 29 1/2 feet, main boom 28 feet, gaft 18 feet; 99 yards for sail, center board 6 feet long, 4 1/2 deep, draught 2 feet. The boat was given a trial Wednesday and it is said she carried her sail well and reached fast, and her owner, Mr Shiverick, thinks that she will make some of the best of them hustle. She is a powerful boat as her dimensions show, and a fine looking one, too. !Mr Sears is a mariner

!The old Chatham, Cape Cod newspapers are now on line. I just read Vol I, No. 1 of the Chatham Monitor, 25 Oct 1871- here's a note: House and Barn Burnt in East Dennis "The dwelling house and barn of Capt. Freeman T Sears of East Dennis took fire from sparks of the chimney Friday afternoon and in a few minutes was burnt to the ground with all they contained, the family barely having time to escape. By this calamity Capt. Sears and family are left houseless and unprovided for, as neither food nor clothing was saved. Capt. Sears and sons are at sea. The wood also took fire near his buildings but by the persevering efforts of the neighbors it was extinguished with but little damage." Freeman Thacher Sears (1828-1915) son of Freeman Sears (1799-1879) also of Dennis, m. Elizabeth Snow of Brewster and had eight children. There are other local fires mentioned in the paper and of course the Great Chicago Fire had just happened on 10 Oct and there are many stories of local people who had big losses in Chicago and of the relief effort being mounted to help the people of Chicago, partly supported by the Young Men's Christian Association. Numerous other tidbits are found including Marriages and Deaths and a couple of obits.

Figure 15: keene_nathaniel_porter

The large building seen here is part of Nathaniel Porter Keene's shipbuilding yard on Fore River Road at the foot of Sea Street. The yard prospered in the 1870s and 1880s. It is generally believed that the original 1622 settlement of Weymouth was situated near this site. Keene lived at the corner of Bridge Street and Moulton Court (now Moulton Avenue), a short distance from his shipbuilding yard.

twenty-nine years old, he married Susan Rogers of Dennisport and made his home from then on in this town. By Susan Rogers he had three daughters: Mrs Everett Baker of West Harwich, Mrs Susie Rogers of Dennisport, and Mrs Smith R Kelley of Dennisport. His first wife died young, and in 1896 he married Mrs Ellen Howes, who survives him. Mr Sears was a true to form Cape Cod son, --a life brimming full of industry. In early life he followed the sea, but shortly after his marriage he retired from the sea and ran a seine factory, and even to this day we hear yarns and stories of Barnie Sears's seine factory. Mr Sears was also interested in cranberry culture and at one time was one of the leading bog owners in this section of the Cape. He was postmaster in Dennisport for a short while. He had interests in a bakery which was run by Darius Rogers, his son-in-law. Up to the time of his ill health he managed successfully the coal yard at North Harwich station. Mr and Mrs Eugene Ellis of East Wareham and Mr and Mrs Benjamin Sears of Falmouth were in town to attend the funeral, which was held Sunday afternoon at his late home. Miss Mary Cobb of West Harwich and Mr Eugene Ellis sang. His friend, Rev B F Lindsay, conducted the services. Mr Sears's body was laid at rest in Swan Lake Cemetery. He rests in the soil he loved so well.

Jeannette Wood- Jumping over the stream from the pond was an experience, especially when the adult swans were having a hissy fit! If one could find the path. Old County Way wasn't too easy to find. My ggrand-father is buried there with one of his children at his feet. There is no gravestone to mark it, but it's next to the fence on the pondside. The rest are buried at Red Top or behind the Unitarian Church in Brewster. My grandfather, Everett Sears, sold some of his property for the expansion of Quivett Neck Cemetery where Charlie and Sadie Keene's mausoleum is located. Interesting bit of trivia... !Evelyn Sears Loska (ESL) Saloonkeeper 1870 census Steilacoom, WA

1889 Census lists him as farmer with children shown (Washington Terr.)

!ESL Asa supposedly came to Steilacoom, WA when he was 13 years old. He took a job on a boat sailing from Boston to Wash Terr. He wanted to get away from his family since they were overly religious and they even had their own church in Boston which only Sears family members could attend. in Cleveland Amory's book "The Proper Bostonians" he mentions this fact. There seems to be a connection between Theophilus Sears and Asa. I was told Asa lived in a boarding house in Steilacoom along with Carl Gorich who later became his father-in-law. Carl was married to Mary Slame who was a full blooded Indian of the Steilacoom tribe. Their daughter was Catherine. Asa and Kate married when she was 18 and they farmed 120 acres of land between American lake and Sequelichew lake. Asa died in 1892(?) from a ruptured appendix. Asa's youngest daughter Edna Gaul still lives in Steilacoom (1984) and told the following-"In 1918 when the government took over these peoples land, they felt they were not getting enough money. So all of the neighbors got together and fought it in court. They lost the case so her mother dug up the smallest fruit trees from the orchard and took them with her to the new place. This all became Camp Lewis.

including Miles P. Keen born in 1864. [message -23 Dec 2018]

reply to purdyquinlan442- Thanks!! Hi and Merry Christmas- (sorry I am not sure how to address you- is Purdy correct?) Interesting coincidence- my Dad was born South Weymouth!

!I got the Miles's birth and death info from Miles's son's SAR App Nat # 81982- i guess son Irving Coose Keene had some things wrong and the Mass. State Registrar did not catch it. I wonder what proof Irving used? I can see that Camden Maine was typed in above the d. date on the SAR App. Do you have a source that shows d. N Weymouth? Your b. date matches Duxbury which casts further question on Irving's account. I will add the additional children of this couple- do you have their names? I will search Duxbury records maybe i can find their names there. Again thanks for pointing out these errors and let me know if you find more. I am all for getting this right! Regards, L. Ray Sears, III

!SAR App National #81982 - State #6089 is for Irving Coose Keene - descendant of Nathaniel Sears 11 Feb 1957-

!Mass Town records for Duxbury list his birth on page 40, item 12 Miles P Keene- place of birth Duxbury- N.P. Keene and Mary H Sears.
