A comparatively modest present,
but the good ones which I can give.

"Only who knows his past has a future."

Foreword

This book contains the facts, who, where, when, but not the story of our family. If you can add to our history or have an anecdote to tell, then please share it and help make our story come alive. Even little things, like your cousin the fisherman who didn't eat fish, will make our story more personal. If you can add to our story, please contact me! I hope to have at least a photo of everyone who is here. It is amazing how often there is a close resemblance for relatives separated by generations.

Introduction

The following pages list data for all known family members as of 8th December 2020.

Each immediate family is presented in their own section that contains a graphical family tree as well as a description with information about each referenced person and their children. The child section provides information about the children of the preceding couple. When a child has offspring of their own this is presented in a separate family section for that child. In this case a '+' is used to denote that an individual will appear later in the book as a parent with his/her own children and there is a link to the appropriate family reference number. For children with partners but no offspring the partner data is given with the reference family. Roman numerals, followed by a period, are used to indicate the birth order.

In the chapter titled "Families of the Starting Person" the ancestors of Josiah Sears are presented in a kind of enhanced Pedigree Chart which displays the graphic representation of their direct-line ancestors and the children of the couple. This chapter contains information about the couple whose relatives are listed in the later chapters.

The chapter titled "Families of his Ancestors" provides details (as known as of the publication date) for the relatives of Josiah Sears. There is a chapter for each generation. Relatives are listed in the order of the nearness of their relationship.

Sources for the information provided are given in the footnotes.

This document reports the details of 356 individuals, of whom 178 are male and 171 are female. The sex of 7 individuals is unknown. Of the 167 individuals with recorded birth and death dates, the average lifespan was 60.67 years. Of these, 87 males averaged 59.72 years, and 80 females averaged 61.69 years. The longest living male was Abner Sears (1738/39–1838), who died aged 98. The longest living female was Ruth Tilson (1765–1857), who died aged 92.

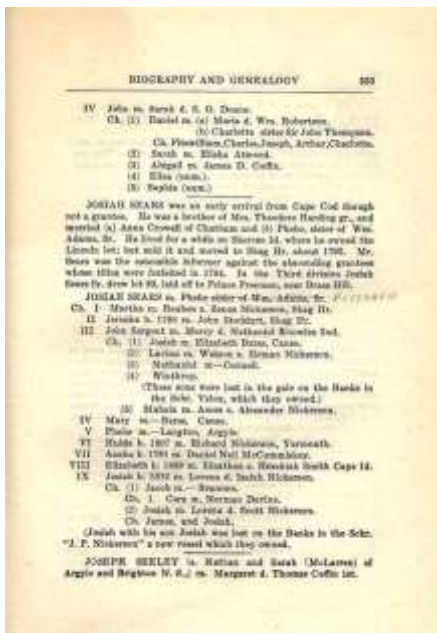

Figure 1: History of Barrington Township_553

This Josiah Sears was the first "Sears" in the Barrington Township and he is the Sears of whom the "Sears" in the Barrington Municipality of today descend.
 He came to the Barrington Township on or before 1775. His two sisters, Azubah Sears who married Warren Anson Kendrick; grantee and Martha Sears who married Theodore S. Harding, were amongst the earliest settlers of the Barrington Township. Josiah Sears was an early settler but not a grantee. The following information on Josiah Sears was taken from the "History of Barrington Township".
 Page 175: "Thomas Lincoln sold his share on Sherose Id., to Josiah Sears, 1770".
 Page 179: "Deed: Thomas and Phebe Lincoln of Barrington for £- 25 currency to Josiah Sears of Barrington a certain house and lands and meadow situate in Barrington namely: fifteen acres on Sherose Island and meadow now laid out together with all other lands and meadows in said Town of Barrington... free from all incumbrances and molestations whatsoever... and will warrant and defend, etc... Signed and sealed in presents of us at Barrington the 12th day of October, 1770. Anson Kincoruk (Kendrick), Elizabeth Doane, Ruben Colvoun before Jonathan Pinkham, Justice Peace".

 Page 215: "Josiah Sears is also on record as a witness...".
 "Witness that lands have been unoccupied... Josiah Sears".
 "As Josiah Sears is not one of those who occupied any of the forfeited lands, it is to be inferred that he was not an informer but a witness subpoenaed in connection with a formal enquiry by the Government".

 Page 578: "In 1785 or just after the Third Division of land made in that year, an important migration to Shag Harbor took place from the older part of the township. Anson Kendrick, gr. settled on Kendrick's Island; his son David and Levi, son of Joshua Nickerson gr., came by on the mainland. To the westward of these was Zaca son of David Smith, gr. and Eastward across the brook, was Josiah Sears."

Green Perkins was a native of Connecticut and arrived in Liverpool early in 1794. He became one of Liverpool's leading citizens, a merchant, and shipowner. He is remembered for his notorious Diaries. In his Diaries we were able to find information on Josiah Sears.

In his first entry, Mr. Perkins is talking about Sears and Dooliver being victims of what what he refers to as "Prize Gangs". These were people that would force men into work on the ships. The working conditions were of the most severe kind.

The Blonde was a British "Man-of-War" (MOW). She was sent to protect the Bay of Fundy and the coast of Nova Scotia against American Privateers. Because of her massive size and her fifty-two pounders (pennants) she was a match for any ship that tried to get too close to the English merchant ships. On May 15, 1782 the Blonde struck a large rock off Seal Island and went to a watery grave. The area is now known as "Blonde Rock". It is approximately two miles off Seal Island and twenty miles west of Cape Sable. At low tide this rock is uncovered and at high tide covered with about six feet of water. (end the whole of the book)

The following information was taken from "Green Perkins Diary".

May 25 1778: "Proves to be ye Blonds, Capt. Miligan, his officers come ashore and desire me to go on board, and send off their boat with me. I find the Captain at Mr. Harrington's. We go to the woods, and then come on shore. The Captain and some of the Officers come to my house. We walk thro the town, and have a great deal of conversation about the Privateers, etc. He seems rather displeas'd that I did not succeed the Arms, etc., but I believe I misinformed him that it was not in my power, (being off in ye evening, he took Josiah Sears, and John Dooliver, into the boat, and carried them on board the Blonds."

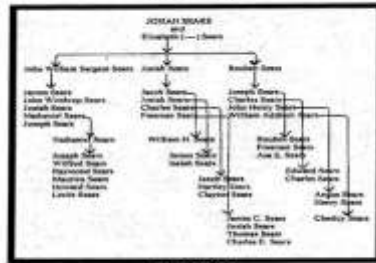

May 26, 1778: "I go on board the Blonde to see what. So my endeavours to get Mr. Sears and John Dooliver released, Sears was allow'd to come on shore, Dooliver is to go on the cruize, and then to be released. I return to the post."

July 22 1781: "Josiah Sears arrives from Dartington".
 Sept 30 1780: "... and left the Shaving Mill with Allen, Doggal & Ephraim Deak, six, in his. The enemy fired upon them, & wounded Ephraim Deak (L) thro the body. He was left at Josiah Sears House, at Dartington. Doggal & Allen were carried to Caponeau, and then landed. " (The "Shaving Mill" was a small, sometimes open, boat used for pilfering along the coast)

It is possible that Josiah Sears and Phoebe Adams had more children but we could only find record of one.

Children of Josiah SEARS and Phoebe ADAMS were as follows:

 TEXT:Then Entred the Intention of marriage between Josiah Sears of Eastham and Mercy Hopkins of Harwich and was published

Mayflower Descendant vol 16 & 17 has vital records from Eastham and Orleans- that's where we find two of the Josiah's. Curious the entries in the vital records are not in chronological order. There is the death of a Josiah Jan 1772- presumably the one born 1708. Then the marriage of Josiah (1708) and Azubah Knowles. Then the births of Marcy, Jerusha and then first Josiah Seers Son of Josiah Seers was born february the first 1744/5. I am still browsing the records at NEHGS- have not yet found the birth of the second Josiah- supposedly b. 1751 in Eastham. S P May says Josiah (1751) was a minor when his father's will was written in 1772. $72-51 = 21$? Is not really a minor is he? I wonder if S P May confused this Josiah with the Josiah Sears father (1740-1770) and son (1767-1784) living in Halifax, Plymouth County, Mass. The first Josiah (1744) would not have been a minor. Maybe that's why he is listed as died young? The second Josiah seems to be the one who left for N.S. His younger brothers also left Eastham - i imagine Eastham was getting crowded-

Relationships with Azubah Knowles and Mercy Hopkins (Page 24) are known.

!From "Sears Genealogy and History" by Marilyn Goreham and Gary Sears, p. 14, No 32- copy held by the Shelburne County Genealogical Society:

In the History of Barrington Township, Biography and Genealogy, there is mention of Josiah Sears who married (1) Anna Crowell and (2) Phebe Adams, but there is no mention of Josiah Sears who married Elizabeth (____) Sears. Through the following information, which was found at the Registry of Deeds, Shelburne, N.S., we were able to verify that there were two Josiah Sears' and that they were father and son. Mar 21, 1808: Moses Cohoon sold land to Josiah Sears, Jr. (Outermost Islands off Shag Harbour) Aug 29, 1811: Josiah Sears, Sr. deeded land to Josiah Sears, Jr. The land was registered Sept 4, 1811. April 8, 1819: Josiah Sears, Jr. signed an affidavit that he had witnessed, on Dec 4, 1807, his father Josiah Sears, Sr. sign a deed to Judah Crowell. Feb 26, 1835: Josiah Sears, Sr. (the first Josiah Sears, Sr. died 1819 and therefore his son would not be Josiah Sears, Sr.) and wife Elizabeth deeded land to their son Josiah Sears, Jr. (this would be the Josiah Sears born 1812). Dec 12, 1838: Josiah Sears and wife Elizabeth deeded land to sons Josiah Sears, Jr. and Sargent Sears. The two deeds were registered Sept 3, 1839. The children of Josiah Sears & Elizabeth (____) Sears are recorded in the "Barrington Township Records". However, in Crowell's "History of Barrington Township" these children are listed as the children of Josiah Sears and Phebe (Adams) Sears. We know that this is wrong because we were able to find the dates of the Baptisms of these children in the Methodist Church Records and the parents are listed as Josiah Sears and Elizabeth Sears. Josiah Sears and Elizabeth Sears were baptized into the Free Baptist faith on 7 July 1822 by Elder Asa McGray. In the Registry of Shelburne County Ships, we found that Josiah Sears was the master of the ship *Caravan* built in Barrington, N.S. registered in the year 1825, tonnage: 19 tons.

From: Krock87521@ Sent: Saturday, November 29, 2003 12:12 PM To: LRSEARS@CAPECOD.NET Subject: Sears Family Dear Ray, I was going through info on the Sears Family websites. I am at a sticking point in my research. I was hoping you may be able to confirm some info I have. I know my grandmother was born in Nova Scotia in May 15, 1917 (still alive), her parents being Kenneth Sears and Avetta Nickerson. Kenneth is believed to have died of typhoid disease early 1920's. Reportedly there were 6 children. Family info says Kenneth father was a James C. Sears born abt 1866. I have no paper work or documents to prove it. In the 1881 Canadian Census I find a Freeman Sears b-1845 with a son James C.. The age at 15 fits the DOB. My sticking point is that after the 5th generation I hit a dead end. So far I have Richard, Silas, Josiah, Josiah, Josiah.... I found in your file on the computer Josiah b-before 1772 married Anna Crowell....part of the file near the bottom of that section says.....moved to Shag Harbour in 1792....in the 3rd division Josiah Sears Sr. drew lot 89, laid off to Prince Freeman near Brass Hill.....My question is this ..Is Prince

Freeman someone name or is it referring to a child or younger family member???

Other info I have from sources says Avetta Nickerson who married Kenneth, her parents were Amasa and Seretha Nickerson. Kenneth was born 18 Oct 1890 and died of typhoid or pneumonia on 20 Nov 1922 age 32, buried in Woods Harbour. The 6 children were said to be adopted out. My grandmother Valeria b-15 May 1917 was adopted about 1924 by Theresa (Mood) and William Waggott. Theresa is a cousin to a Bessie Mood who was the first wife of Kenneth. It is said that all children were adopted by family members. The 6 children are James, Valeria, Loretta, Una, Dorothy and Ada. I believe Loretta may still be alive in Boston, Ma area. I'm sorry this got so long I hope you may be able to connect my lines. Thank you for your time,

Subject: FOLLOW UP SEARS INFO. Hi Ray, I wrote to you a while back in regards to my grandmother Valeria Sears. I believe I have found a missing piece of this puzzle. I know that her father was Kenneth 1890-1922. (her birth certificate). I also find Kenneth's father to be James in the 1901 census. In the 1880 census I find James and his father Freeman. I have had trouble finding his father. Recently I met my grandmother's sister in Boston. She has a book of the Sears and Nickersons. According to this book Freeman's father was Josiah b- 1812 and died at sea 1866 with his oldest son Josiah. I believe (but it will take some more work) that Josiah of 1812 is the son of Josiah born around 1772. So if I am correct (and I'm not positive) my Sears line would go like this..... Richard Silas Josiah- abt 1675
Josiah-1708 Josiah-1744 Josiah -before 1772 Josiah - 1812-1866
Freeman- 1841-1935 James - 1863-1946 Kenneth - 1890-1922 Valeria - 1915-2004
Russell my dad still alive and myself Kenneth. I still need to find Josiah 1812 father to put it together but I believe this to be correct. Thanks

THEODORE SETH HARDING
Theodore Seth
Harding

<http://www.newadvent.org/cathen/02278a.htm> The influx of settlers from New England and Scotland and the work of zealous evangelists, such as Theodore Seth Harding, who laboured in the Maritime Provinces from 1795 to 1855, soon increased the number of Baptists in the country.

<http://www.fbinate.com/armitage/ch18.html> Theodore Seth Harding was another Gospel warrior of these days. His first religious impressions were received under the ministry of Mr. Alline, when at the age of eight, but he was converted under the powerful preaching of Rev. Freeborn Garretson, a Methodist missionary from the United States, who was sent to Nova Scotia in 1787. Mr. Harding was ordained as pastor of the Horton Baptist Church in 1796, and remained its pastor until his death, in 1855. But like Manning and others, he extended his labors in every direction, even to the United States. In intellect he was not the peer of Manning, but far surpassed him in fluency and other elements of oratorical power, so that as a preacher he had few equals anywhere.

!http://boards.rootsweb.com/surnames.sears/1458/mb.ashx Posted: 25 Jul 2007 12:04PM GMT Hello Board, I'm stumped by something. My husband Garry Sears' 3 x great grandparents were Josiah Sears and Mercy Nickerson of Wood's Harbour, N.S. Josiah died at sea, along with a son Josiah (born abt 1840), in the storms of 1866, leaving Mercy a widow, with surviving children Freeman, Thomas, Charles and Ezra. Mercy Nickerson's name is confirmed in the marriage registrations of at least three of her children, Thomas, Charles and Ezra. I believe that Josiah Sears, the husband of Mercy, is the son born in 1812 to Josiah Sears, the first Sears to settle in Barrington. However, the Sears Family Association information that I've read says that the Josiah born in 1812 was married to Rowena Nickerson, not Mercy. Can anyone clarify this for me? Thanks, Patricia Sears Ottawa
